I *certify* that, before my application was accepted, an interviewer from the TCU Advanced Training Program explained the program to me:

- a. Most employers require a medical examination, including a drug test, and may refuse to hire applicants who cannot meet their physical requirements.
- b. Some employers, because of their policies, may not hire individuals convicted of crimes.
- c. If I provide false information to an employer and, subsequently, am hired, I could be dismissed for providing this false information.
- d. If I am accepted and make satisfactory progress in the program, TCU will attempt to refer me for a job interview, but does not guarantee I will be hired.

I hereby authorize the TCU Manpower Training Department to disclose data and information pertaining to my job training progress to a potential employer. If I am placed, I authorize TCU representatives to contact my employer in order to verify my employment status, including verification of rates of pay and job title. This data will be obtained in accordance with Job Corps procedures as set forth by the Department of Labor in the Job Corps Privacy Act statement (which I received from Job Corps when I enrolled).

I also grant the TCU Manpower Training Department the authority to use my photograph and/or first name and any information about my employment status including the type of employer, job title, and rate of pay to publicize the TCU program.
